Insights Tours

Is a tour company operated by Paul and John Tuckerman. We arrange tours which utilise chartered trains, coaches and aeroplanes and provide passengers with spacious and ample accommodation. Our philosophy is to provide a tour with a spectrum of interesting visits, inspections and conveyances. Each tour is uniquely arranged to encompass the most interesting sights of the regions visited. Insights Tours engages our own guides to ensure that our passengers have the best insight into the location being visited.

Passenger numbers are limited to ensure a commodious travelling experience and to ensure that visits and guided tours are of maximum benefit. This tour is for a maximum of 13 passengers. Each of our tours is personally escorted ensuring you can relax in the confidence that all of the pesky administrative details and arrangements are being taken care of. This tour will be escorted by Paul Tuckerman.

There is always the chance that our itinerary could be delayed or curtailed in some way beyond our control. Except for prolonged or unexpected events, the tour will be conducted as closely as possible to the itinerary stated above.
